Summary

Versatile Video Editor with 5+ years turning client briefs into polished content, from corporate videos to YouTube channels, for domestic and international companies. Skilled across Premiere Pro, After Effects, and DaVinci Resolve, plus AI tools like Higgsfield and Google VEO 3 to speed up production. This mix of craft and cross-border experience has earned a 95% satisfaction rate and 70% repeat clients.

Work Experience

- Lakewood Kennels

Video Editor (Remote, US Market) | 2024 – 2026

 - Produced advertising videos promoting the company's pet care and dog training services to a US audience.
 - Edited social videos showcasing dog training sessions and techniques for Facebook, YouTube, and Instagram.
 - Managed content across three platforms, tailoring format, length, and pacing to each platform's audience.
 - Worked directly with the training team to translate in-person sessions into clear, engaging video content.
- Market Scale

Video Editor (Remote, US Market) | 2023 – 2024

 - Edited a wide range of content formats for US-based clients, including vlogs, advertisement videos, product review videos, and how-to / tutorial videos.
 - Adapted editing style and pacing to match each format's audience, from fast-paced ad cuts to detailed step-by-step tutorials.
 - Collaborated remotely with US clients across time zones, delivering revisions on tight turnaround schedules.
 - Maintained consistent brand voice and visual quality across the full range of video formats produced.
- Tazako

Video Editor | 2022 – 2023

 - Produced and edited sales driven product videos that increased online engagement by 40%.
 - Created promotional ads and campaign videos that contributed to a 25% increase in sales conversion.
 - Collaborated with the marketing team to align video content with seasonal promotional campaigns.
- DXC Technology

Web Developer | 2019 – 2022

 - Built responsive websites using HTML, JavaScript, a technical foundation that supports fast adoption of new editing software and AI tools today.

Skills
